Re: Application of McElvain Oil & Gas, Inc. for Compulsory Pooling, Rio Arriba  
County, New Mexico

Gentlemen:

This letter is to advise you that McElvain Oil & Gas Properties, Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests from the base of the Pictured Cliffs formation to the base of the Mesaverde formation in Lots 1, 2 S/2 NE/4, SE/4 (E/2 equivalent) of Section 4, Township 25 North, Range 2 West, N.M.P.M., Rio Arriba County, New Mexico. McElvain proposes to dedicate the referenced pooled unit to its Elk Com "4" Well No. 1 (formerly the Elk Com Well No. 4-7) which it proposes to drill to a depth sufficient to test all formations to the base of the Mesaverde formation, Blanco-Mesaverde Gas Pool, at a standard location in the NE/4 of said Section 4.

This application has been set for hearing before a Division Examiner on October 7, 1999. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Dennis Hopper

Gentlemen:

This letter is to advise you that McElvain Oil & Gas Properties, Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests from the base of the Pictured Cliffs formation to the base of the Mesaverde formation in Lots 1, 2 S/2 NE/4, SE/4 (E/2 equivalent) of Section 4, Township 25 North, Range 2 West, N.M.P.M., Rio Arriba County, New Mexico. McElvain proposes to dedicate the referenced pooled unit to its Elk Com "4" Well No. 1 (formerly the Elk Com Well No. 4-7) which it proposes to drill to a depth sufficient to test all formations to the base of the Mesaverde formation, Blanco-Mesaverde Gas Pool, at a standard location in the NE/4 of said Section 4.

This application has been set for hearing before a Division Examiner on October 7, 1999. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

James B. Fullerton  
September 16, 1999  
Page 2

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
