Vikki,

Please be advised that these reports are required to be filed with the Santa Fe and Artesia Offices of the Division pursuant to the requirements set forth in Division Order No. R-11328. The submission of these reports was a condition under which we allowed Oxy to utilize this well for disposal. Any breach of this requirement will place Oxy's authority to inject into this well in jeopardy.

If you should have any questions, please contact me at (505) 476-3466.

Dear Mr. Catanach:

Please read the enclosed letter from Mike Stubblefield asking us to discontinue submitting our AOR Monitoring Report to OCD. Do you want to discontinue receiving it as well? If you would e-mail me at vikki_wilkerson@oxy.com with your request I would appreciate it.

Thanks for your help.
