Dear Mr. Scott:

El Paso Natural Gas Company has executed the letter dated April 3, 1975 as rewritten by you, which now provides for modifying only the Pictured Cliffs and Mesaverde recovery costs. We thank you for your cooperation in this matter.

We are pursuing the Pictured Cliffs development program in accordance with this letter to the end that twelve (12) gross Pictured Cliffs wells will be drilled in the areas of Township 31 North and Township 32 North, Range 10 West, San Juan County, New Mexico and principally on federal lease SF 078604. I again thank you for your cooperation in these negotiations. If in the future I can be of any help or assistance, please advise.

Yours very truly,
