Gentlemen:

On November 27, 1951, Brookhaven Oil Company and San Juan Production Company entered into an Operating Agreement pertaining to certain lands in San Juan County, New Mexico. Said Agreement, as amended, provided for the drilling of Pictured Cliffs and Mesaverde wells by San Juan Production Company and the recovery of Brookhaven's share of the cost of drilling such wells subject to the limitations and in accordance with the provisions of Subparagraph 5.d of said Agreement.

By this letter, Brookhaven and Dacressa, as successors in interest to Brookhaven Oil Company, and El Paso Natural Gas Company, as successor in interest to San Juan Production Company, do hereby evidence the amendment of Subparagraph 5.d of the Operating Agreement dated November 27, 1951, as amended, to provide for the following:

1. Brookhaven and Dacressa, in consideration for the drilling of the following described wells by El Paso during the calendar year 1976, agree to promptly pay to El Paso, upon receipt of an invoice, their share of the costs of drilling said wells, in lieu of having those costs recovered out of production as provided for in Subparagraph 5.d of the Operating Agreement, as amended by letter agreement dated March 27, 1975.
