Re: Case No. 12278.
(Pride Energy, Arco-State Lse.
Lea County, New Mexico)

Dear Sirs:

As a Joint Interest Working Interest Owner in the Referenced Lease, this is to advise you that we support E.G.L. Resources, Inc. of P. O. Box 371, Midland, Texas, to be Operator of this Lease.

Pride Energy Company assumed operation of this Lease after acquiring the interest of Swift Energy and without the approval of the other joint working interest owners. A ballot was never circulated.

Pride has not timely made disbursement of proceeds from oil sales, and their accounting of other matters has not been complete. Further, they charged for "produced water" disposal when the joint operation owned a disposal well. And their "overhead" charge was approximately double that others charge for similar operations.

Therefore, we would appreciate the approval of the Form C-104 naming E.G.L. Resources, Inc. as Operator of this property.

Thank you for your consideration.

Yours very truly,

POLARIS PRODUCTION CORP.
