RE: Case No. 12279---OCD Show Cause Hearing requiring Merit Energy to appear and show cause why certain wells in Eddy County, New Mexico should not be plugged and abandoned

Dear Ms. Valliquette:

Thank you for your prompt attention to this matter once you received notification of its existence. The Division's Artesia District Office has received your plans to plug these wells and will work with you to ensure they are properly plugged. Due to your actions, the Division is **dismissing** this case currently set for December 16, 1999 while reserving the right to refile it if these wells are not plugged within the next few months.

Your Travelers Property Casualty bond will remain on file as surety for Merit's other wells in New Mexico.

If you have any questions, please feel free to call me at 505/827-8156.

Sincerely,

Rand Carroll  
Legal Counsel
