Dear Mr. Stogner:

By letter dated September 29, 1999 and received by Chesapeake Operating Inc. on October 4, 1999, Yates Petroleum Corporation sent notification to the offsetting operators of the referenced request.

On behalf of Chesapeake Operating Inc., as an offsetting operator, we hereby object to the application of Yates Petroleum Corporation for an unorthodox gas well location for its R. L. Burns ATL Well No. 1 as described in its administrative application to the Division which we believe was sent to the Division on September 29, 1999.

We request that this matter be set for hearing and that Chesapeake be provided notification of the hearing in accordance with Division notice rules.

Very truly yours,
