RE: EJ Wells Fed. #25
Sec. 5, T25S, R37E
2180' FSL, 1980 FWL
Lea County, New Mexico

(NSL)

Dear Mr. Stogner,

SDX Resources, Inc. is the operator of the EJ Wells Fed. #13 and #16 wells located in unit L of sec. 5 T25S R37E of Lea Co., N.M.. These wells are dedicated to a 120 acre non-standard gas proration unit created by NSL #1823 (6/22/84) and consisting of units K,L,& M of sec. 5. SDX is planning to drill the EJ Wells Fed. #25 well on the same 120 acre proration unit at the above-mentioned location. This will be a non-standard location as the location has been moved due to the wells proximity to a pipeline and an existing 7-Rivers oil well.. SDX request that this letter serve as application to simultaneously dedicate this 120 acre non-standard proration unit to the EJ Wells Fed. #13, # 16, and the #25 wells, and as application for administrative approval of the non-standard location. BLM form 3160 and OCD form C-102 for the #25 well, an outlined lease map, and other pertinent information is attached to this application. All offset operators have been notified and proof of notification is attached. Your assistance on this is appreciated.

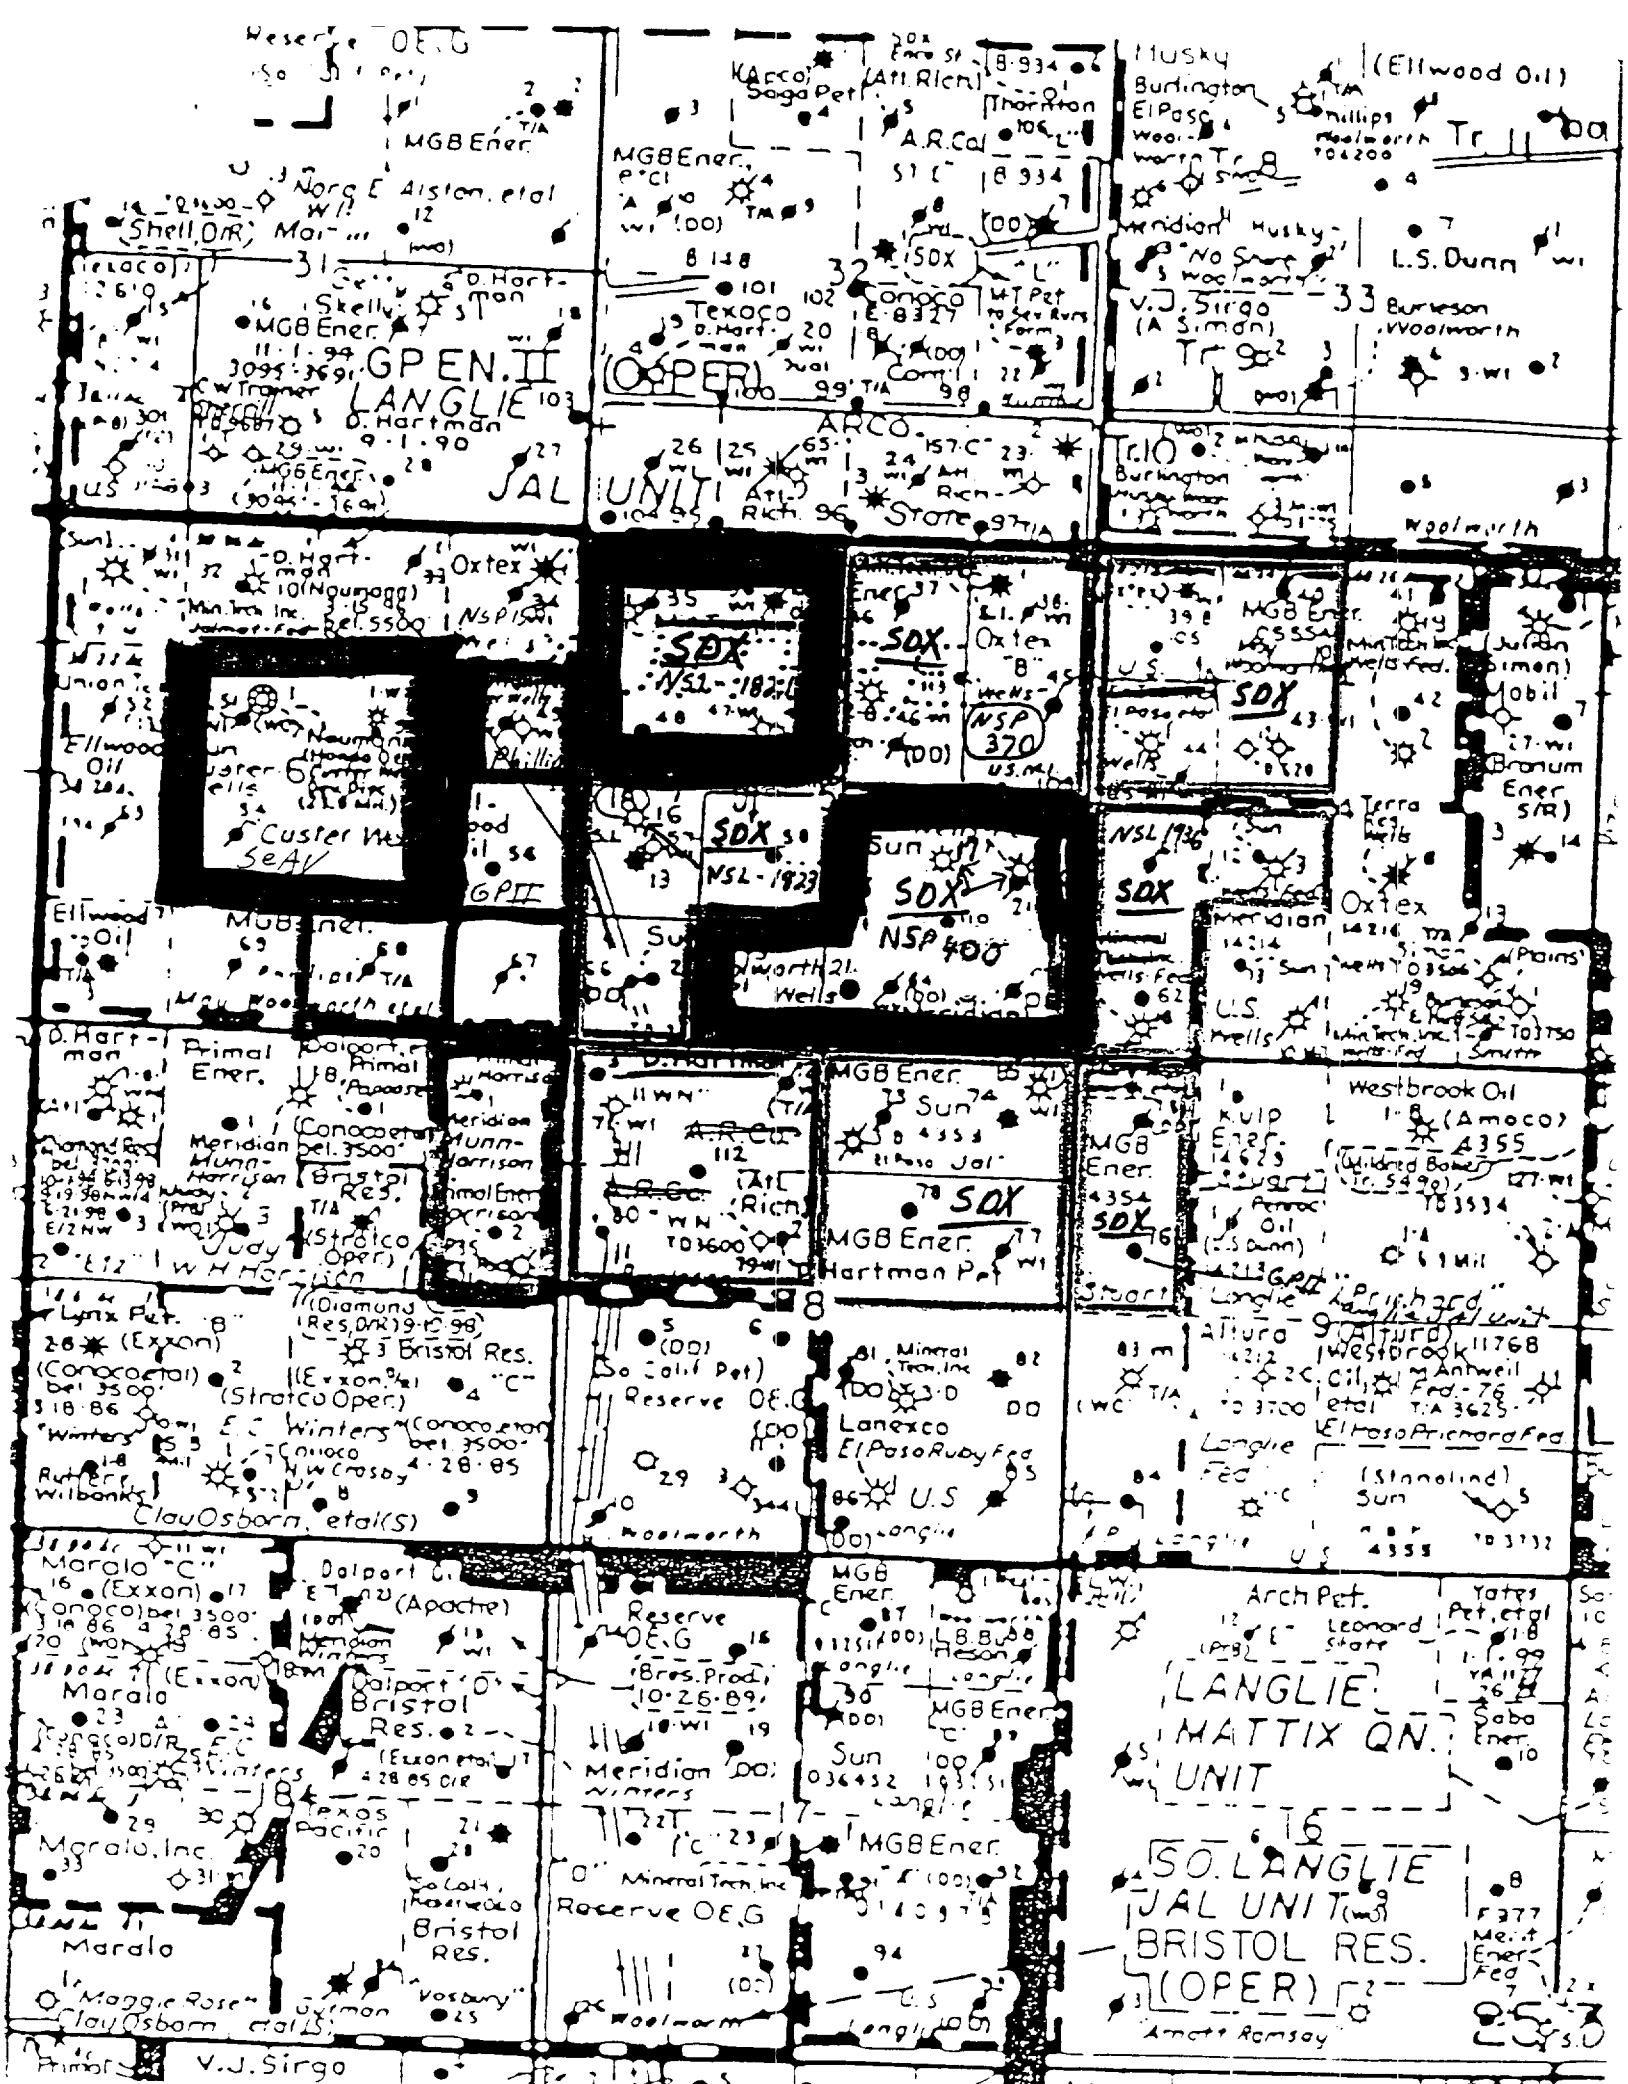

Sincerely,

Chuck Morgan
