Re: Application of Doyle Hartman, Oil Operator for Rescission and Reconsideration of Portions of Division Order R-9073, as Amended, Affecting Lands in Townships 2 and 23 South, Range 36 East, Lea County, New Mexico.

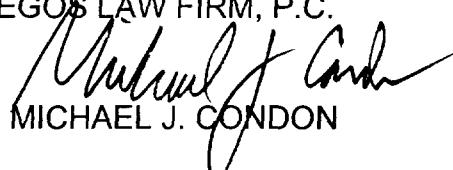

Dear Ms. Wrotenbery:

Enclosed please find an Application of Doyle Hartman, Oil Operator seeking rescission and reconsideration of portions of Division Order R-9073, as amended. Since the Application involves lands which are the subject of the infill drilling program initiated in the Jalmat Gas Pool by Raptor Resources, Inc., and is related to the various cases which the Division has set for hearing on March 16, 2000 as reflected in your letter of January 5, 2000, copy attached, we would request that the Division set this Application for hearing also on March 16, 2000. By copy of this letter, we are providing Mr. Carr, counsel for Raptor in the other proceedings, with a copy of the Application. If you need any additional or have any questions, please feel free to contact me.

Very truly yours,
