Re: Lusk Morrow Pool Rules  
Eddy and Lea Counties, New Mexico

Dear Mr. Miller:

We are in receipt of your letter dated May 26, 2000 giving notice that you wish to amend special pool rules for the captioned field to allow for up to 3 infill wells in each proration unit and change the set back requirements to 660'. Although it is our preference that special pool rules be eliminated and state-wide rules be applicable to these old fields, we have no objection to your proposal in this instance.

Should you need anything further, please do not hesitate to contact me.

Very truly yours,

YATES DRILLING COMPANY
