CASE 12479: (Readvertised) (Continued from August 24, 2000, Examiner Hearing) (This Case will be dismissed.)

Application of Pendragon Energy Partners, Inc. for approval to restore the Chaco 2-R well to producing status, San Juan County, New Mexico. Applicant seeks approval pursuant to Order No. R-11133-A to restore the shut-in Chaco 2-R Pictured Cliffs well to producing status. Applicant's Chaco Well No. 2-R (**API No. 30-045-23691**) is completed in the WAW-Fruitland Sand-Pictured Cliff Pool and is located 1850 feet from the South and West lines (Unit K) of Section 7, Township 26 North, Range 12 West, which is approximately six miles west of the Carson Trading Post.
