**Re: Case No. ~~12530~~ 12529**

Application of the New Mexico Oil Conservation Division for an order requiring  
BC Development, LP to plug one well in Lea County, New Mexico

This letter is to advise you that the New Mexico Oil Conservation Division has filed the enclosed application for a hearing requiring BC Development, LP and other interested parties to appear and show cause why a certain well should not be ordered plugged and abandoned.

This application has been set for hearing before an Examiner of the Oil Conservation Division on November 2, 2000. You are not required to attend this hearing, but as owner of an interest that may be affected by an order issued in this case, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B, enclosed, to file a Prehearing Statement three days in advance of the hearing.

Best regards,

Marilyn S. Hebert

Attorney
