**CASE 12531:**

Application of the Oil Conservation Division for an order requiring Texas West Oil & Gas Corp. to remediate one well site, Lea County, New Mexico. Applicant seeks an order requiring Texas West Oil & Gas, Corp. to appear and show cause why one (1) well site located in Section 27, Township 15, Range 37 East, should not be remediated in accordance with a Division-approved plugging program. Further, should the operator fail to properly remediate this well site, the Division seeks an order (i) requiring operator to properly remediate this well site; (ii) authorizing the Division to remediate this well site; (iii) ordering a forfeiture of the plugging bond, and (iv) assessing fines for failure to comply with the order. *In The Absence of Objection, This Case Will be Taken Under Advisement.*
