Re: December 21, 2000 NMOCD Hearing
Application for Compulsory Pooling - MY OBJECTION
Robert L. Bayless, Operator
Hun Nop Pi #2 Well
W/2 Sec. 19-T26N-R8W
San Juan County, N.M.

Dear Mrs. Wrotenbery,

PRE-HEARING STATEMENT of Marjorie W. Anderson
I cannot be present Dec. 21st. However:

Please consider my strong objection to being forced into participating in the proposed Well drilling. I own an undivided 2.222 percent leasehold interest. Neither am I interested in selling my leasehold to Bayless for \$100.00 per net mineral acre.

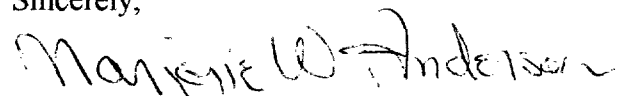

This proposed project is "to be a marginal well, but (we) feel it will reach payout with a modest opportunity for a return on our investment" according to the September 1st letter sent me by Paul Hall, Land Manager for Robt. L. Bayless, Producer LLC. It was this same Paul Hall whom I phoned to get your name and address, so that I could voice my **strong objection** to being forced into participating in this "marginal" project, or bearing any of the costs thereof.

Incidentally, the Bayless producers have continually addressed me as Marjorie Anderson Pelto. My name has never been Pelto. It has remained Marjorie W. Anderson for many years. I am the widow of Martin Anderson of Seattle, and am now married to Mr. Pelto.

Please contact me if there is anything that I can further clarify.

Thank you for your consideration of my objection.

Sincerely,

Marjorie W. Anderson, P.O. Box 10701, Bainbridge Island, WA 98110 (206)780-2552
