1 WHEREUPON, the following proceedings were had at
2 11:16 a.m.:

3 EXAMINER STOGNER: And I will call lastly Case
4 Number 12,564, in the matter of the hearing called by the
5 Oil Conservation Division for an order creating and
6 contracting the vertical and horizontal limits of certain
7 pools, the redesignation of certain pools and the extending
8 of certain pools in Lea and Roosevelt Counties, New Mexico,
9 being District 1.

10 This is our normal nomenclature process of
11 creating, extending the limits of pools, either vertically
12 or horizontally, and designating them either as oil or gas.
13 And this case was filed in the absence of objection.
14 Please note in the docket, 37-00, that contains several
15 pages, pages 7 through 15, describing in detail these
16 extensions and the contractions and any creations.

17 At this time, I'll call for any appearances.
18 There being none, this case will be taken under advisement.

19 If there's nothing further in this docket today
20 -- which I don't believe there is, everything has been
21 continued -- this hearing is adjourned. And thank you,
22 all.

23 (Thereupon, these proceedings were concluded at
