HAND DELIVERED

Oil Conservation Commission
New Mexico Department of Energy,
Minerals and Natural Resources
1220 South Saint Francis Drive
Santa Fe, New Mexico 87505

Attention: Florene Davidson

Re: New Mexico Oil Conservation Division Case 12587:
Application of Sapient Energy Corp. for an unorthodox well location and non-standard proration unit or in the alternative a 160-acre non-standard proration unit, Lea County, New Mexico.

New Mexico Oil Conservation Division Case 12605:
Application of Sapient Energy Corp. for special pool rules, Lea County, New Mexico.

Dear Ms. Davidson;

On November 1, 2001 Chevron U.S.A. Production Company and Conoco, filed a Consolidated Pre-Hearing Statement and exhibits which they planned to present in their case in chief at the November 6, 2001 Oil Conservation Commission hearing in the above-referenced cases. Since that date, Chevron and Conoco have made certain revisions to their case and I therefore enclose copies of our Supplemental Consolidated Pre-Hearing Statement and certain new and revised exhibits which are identified in therein. Conoco and Chevron will present these exhibits at the December 4, 2001 Oil Conservation Commission hearing.

By copy of this letter, I have provided copies of these exhibits to Commissioners Lori Wrotenbery, Jamie Bailey, and Robert Lee and to Stephen C. Ross, Esq., Assistant Attorney General for the Oil Conservation Commission, W. Thomas Kellahin, Esq., attorney for Sapient Energy, Corp. and James Bruce, Esq., attorney for Amerada Hess Corporation.

Very truly yours,

William F. Carr
Attorney for Chevron U.S.A. Production
Company and Conoco, Inc.
