1           WHEREUPON, the following proceedings were had at  
2   9:00 a.m.:

3           CHAIRMAN WROTENBERY: Okay, I think we'll go  
4   ahead and get started here. We've got a fairly small group  
5   here today, so we'll dispense with the formal  
6   introductions. I'll just note for the record that all  
7   three Commissioners are present. It's 9:00 a.m. on August  
8   30th, 2002, and we're here in Porter Hall.

9           We've got really one item on the agenda that  
10   we'll spend a little bit of time discussing. The other  
11   matters I think we can take care of pretty quickly here, so  
12   I'll just start with those and get them out of the way.

13          We have the minutes of the Commission's meeting  
14   on July 19th, 2002, and Commissioners, I think you've had a  
15   chance to review these.

16          COMMISSIONER BAILEY: Yes, I have, and I move we  
17   adopt them.

18          COMMISSIONER LEE: Second.

19          CHAIRMAN WROTENBERY: All in favor say aye.

20          COMMISSIONER BAILEY: Aye.

21          COMMISSIONER LEE: Aye.

22          CHAIRMAN WROTENBERY: Aye. I'll sign those on  
23   behalf of the Commission. Okay, that's done.

25

1           CHAIRMAN WROTENBERY: And then we had, let's see,  
2 Case 12,622. This is the Application of Nearburg  
3 Exploration Company, L.L.C., for two nonstandard gas  
4 spacing and proration units in Lea County, New Mexico, case  
5 being heard de novo on the Application of Nearburg  
6 Exploration Company, L.L.C.

7           We've arranged a couple of special hearing dates  
8 for this particular matter. I believe they're scheduled  
9 for September 10th and 11th.

10          MR. ROSS: Right.

11          CHAIRMAN WROTENBERY: We'll hear evidence in that  
12 case, so we don't need to do anything with it today.

13          (Thereupon, these proceedings were concluded at  
14 9:02 a.m.)
