***Re: Oil Conservation Division Case No. 12625: Application of Raptor Resources, Inc. for an unorthodox infill gas well location and simultaneous dedication, Lea County, New Mexico.***

Dear Ms. Wrotenbery:

I have been advised by Mr. Stogner that the application and legal advertisement in the above-referenced case contained an incorrect legal description for the Raptor Resources, Inc. State "A" A/C-2 Well No. 79 and that the case has therefore been readvertised by the Division to be reopened at the June 28, 2001 Division Examiner hearing.

Enclosed for filing is an amended application in this case which corrects the description for the Raptor Resources, Inc. State "A" A/C-2 Well No. 79. On this date we are providing a copy of this amended application by certified mail to all affected parties and advising them of the correct well location and the June 28th hearing.

The Division's assistance with this matter is appreciated.

Very truly yours,  
  
William F. Carr
