Re: Case No. 12712; application of Mewbourne Oil Company
("Mewbourne") for compulsory pooling, Eddy County, New
Mexico

Dear Mr. Brooks:

Mewbourne requests that the above matter be continued to the September 20, 2001 Examiner hearing. The reason for this request is that it has only one remaining party (EOG Resources, Inc.) with which to reach voluntary agreement, and hopes to do so over the next several weeks. Over the past two weeks, it has reached agreement with six parties regarding the drilling of the well, leaving only EOG to contend with. Thank you for your consideration of this request.

Very truly yours,

James Bruce

Attorney for Mewbourne Oil Company
