Chaves County, NM  
Eland #658W3

Dear Gayle:

Enclosed please find Order for Compulsory Pooling issued by the New Mexico Oil Conservation Division covering the above referenced well, along with Eland's AFE listing estimated well costs. Should Exco wish to participate in the drilling of said well, please return the properly executed AFE along with Exco's check covering its proportionate share of completed well costs to my attention at the below address within 30 days from receipt of this correspondence. Should we not receive the AFE and your check within the allotted time period, your interest will be deemed to be a non-consenting working interest under the order.

Very truly yours,  
ELAND ENERGY, INC.
