Re: Application of SunValley Energy Corporation for compulsory pooling, Lea  
County, New Mexico.

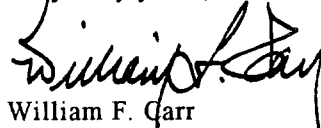

Ladies and Gentlemen:

This letter is to advise you that Sun Valley Energy Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests from the surface through the San Andres formation in a standard oil spacing and proration unit comprised of the SE/4 NW/4 of Section 12 Township 18 South, Range 38 East, N.M.P.M., Lea County, New Mexico. SunValley proposes to dedicate the referenced pooled unit to its Monk Well No. 2 to be drilled at a standard location 1980 feet from the North line and West lines of said Section 12.

This application has been set for hearing before a Division Examiner on February 7, 2002. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Prehearing Statement three days in advance of a scheduled hearing. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Very truly yours,

William F. Carr
