Re: Hay Hollow 25 State #1
Section 25, T25S, R27E, NMPM
Eddy County, New Mexico

Dear Mr. Gum:

After reviewing our files with Great Western Drilling Company, we have found that we do have the plugging responsibility on the captioned well.

We have contacted Mayo Marrs Casing Pulling, Inc. in Kermit, Texas about plugging this well. WE understand that this should be done in the next thirty (30) days.

It is hoped that this will meet your timetable.

Very truly yours,

Larry R. Snyder
Landman
