RE: INACTIVE NON-COMPLIANCE WELLS

Dear Rodney:

During our meeting of 12/28/00 it was stressed that the Oil Conservation Division (OCD) currently is addressing all inactive non-compliance wells as a top priority statewide project. A mass mail out was made on May 11, and September 8, 2000 requesting information from each operator that had inactive wells.

To date, I have not received the work plan as discussed during our meeting.

By copy of this letter, the OCD director is requested to schedule a "Show Cause Hearing" to allow you the opportunity to appear and to show way a shut in order, order to plug and abandon all inactive non-compliance wells and/or to call for the forfeiture of your statewide bond is not issued. If your bond is called you can no longer operate in the State of New Mexico.

The "Show Cause Hearing" will be stayed if an aggressive plan being detailed and specific as to type of work and time frame to bring all non-compliance wells into compliance is received in this office within 15 days of receipt of this letter.

Attached is the latest (11/16/00) OCD list of inactive non-compliance wells for your company a copy of which was given to you at our meeting.
