Ref: OCD Case 12811

Dear Mr. Brooks;

Although I do not intend to appear personally or be represented at the hearing on February 22, 2002, I want the New Mexico Oil Conservation Division to know that Kersey and Company, and Kersey and Donohue have every intention of complying with the Commissions orders.

Please find enclosed copies of C-103 forms on subject wells, indicating a plan of action and a time frame for completion of work. We believe that with the availability of equipment being much better in recent months, all work can be completed in a timely manner.

Sincerely,

Kenneth R. Wade
Manager
