### RE: INACTIVE NON-COMPLIANCE WELLS

Dear Russell:

During our meeting of 12/13/00 it was stressed that the Oil Conservation Division (OCD) currently is addressing all inactive non-compliance wells as a top priority statewide project. A mass mail out was made on May 11, and September 8, 2000 requesting information from each operator that had inactive wells.

To date, I have not received the work plan as discussed during our meeting.

By copy of this letter, the OCD director is requested to schedule a "Show Cause Hearing" to allow you the opportunity to appear and to show way a shut in order, order to plug and abandon all inactive non-compliance wells and/or to call for the forfeiture of your statewide bond is not issued. If your bond is called you can no longer operate in the State of New Mexico.

**The "Show Cause Hearing" will be stayed if an aggressive plan being detailed and specific as to type of work and time frame to bring all non-compliance wells into compliance is received in this office within 15 days of receipt of this letter.**

Attached is the latest (11/16/00) OCD list of inactive non-compliance wells for your company a copy of which was given to you at our meeting.
