Mr. Tim Gum
NM State Oil Commission
811 S. First
Artesia, NM 88210

Dear Mr. Gum:

I will start to work on the required wells immediately after the holidays. My intentions are to put on at least two wells a month. The two Sunray wells, if I can't work out a partial assignment with the leaseholder, I will have to plug these wells. The Toomey Allen #3 will have to be plugged. All the other wells I hope will produce enough oil to make them profitable. The Toomey Allen #4 as well as the #9 are already back on production.

Thank you for your understanding. I will continue to update you on our progress.

Thank you,

H. Dwane Parrish Jr.
