Case 12832

Attention: Chuck Moran

Re: *Administrative application submitted on January 3, 2002 (administrative application No. pKRV0-200334265) for an unorthodox gas well location for both shallow and deep gas production underlying the W/2 and NW/4 of Section 11, Township 8 South, Range 26 East, NMPM, Chaves County, New Mexico.*

Dear Mr. Moran:

I'm sure you are aware that the proposed well in which the subject application was filed, the Pay "AYY" Federal Com. Well No. 1, is located within the Pecos Slope-Abo Gas Pool and is therefore subject to the "*Special Rules and Regulations for the Pecos Slope-Abo Gas Pool*," as promulgated by Division Order No. R-9976-C, dated March 19, 1996 (see copy attached). These rules do not include an administrative procedure for authorizing unorthodox gas well locations (see Rule 5). This application will therefore be set for hearing and will be placed on the next available docket scheduled for March 7, 2002.

Please provide adequate notice pursuant to Rule 1207.A (5) of the Division's Rules and Regulations.

Sincerely,

Michael E. Stogner  
Chief Hearing Officer/Engineer
