Re: Case No. 12840/Order No. R-11752

Dear Ms. Wrotenbery:

The above order requires drilling to be commenced by June 30, 2002. The operator intends to move the rig currently drilling the Maxwell 26 Well No. 2, located in the N½ S26-15S-34E, to the well approved by the above order. However, that well is encountering some downhole problems, and is taking longer to drill than anticipated. Therefore, David H. Arrington Oil & Gas, Inc. requests that the well commencement deadline in the order be extended to August 31, 2002. Thank you for your consideration of this matter.

Very truly yours,

James Bruce

Attorney for David H.
