F-RPC 21 Well No. 2  
NW/4 Sec. 21, T29N-R13W  
San Juan County, New Mexico

Dear Ms. Wrotenbery:

Richardson Production Company respectfully requests a continuance for the above order for an additional 90 days past the February 28, 2003 drilling date. Richardson is experiencing difficulty obtaining rights-of-ways for ingress and egress and pipeline ROW to transport the gas produced when the well is drilled. Richardson is pursuing several options and waiting on replies from various entities.

Should you have any questions I can be reached at (505) 564-8115.

Yours truly,

Anne Jones
