Lori,

Steve Ross requested that I contact you regarding the Oil Conservation Commission's hearing regarding infill on the fruitland formation to be conducted on Tuesday, June 3, 2003 in Santa Fe. I would like to make comments at the hearing on behalf of the Oil & Gas Accountability Project and our membership. Steve suggested that it might be possible to fit my comments in at the start of the hearing along with opening statements. I anticipate that my comments will take no more than 15 minutes in length.

Please let me know if this would be possible. I will be traveling from Toas to attend. Thank you.

Sincerely,
Jennifer Goldman
Associate Director
