Re: *New Mexico Oil Conservation Division Case No. 12905*
In the Matter of the Application of Pronghorn Management Corporation for
Approval of a Salt Water Disposal Well, Lea County, New Mexico.

Dear Ms. Wrotenbery:

DKD, L.L.C., an interested party in the above-referenced case, hereby requests that the hearing in this matter, currently scheduled for Thursday, August 22, 2002, be continued until the next regularly-scheduled hearing of the New Mexico Oil Conservation Division, on September 5, 2002.

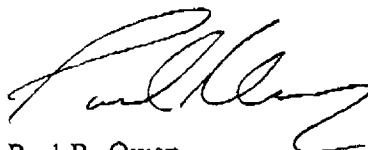

DKD was previously represented by James Bruce, Esq., but Mr. Bruce found it necessary to withdraw from the case. DKD was not able to contact me until late yesterday afternoon, and consequently will be unable to adequately prepare for the hearing.

I have contacted Ernest Padilla, counsel for the Applicant, who indicated that he would ask his client about its position on the requested continuance. I would appreciate your letting us know the Division's position on the requested continuance as soon as possible so that appropriate travel arrangements can be made.
