Re: Reduction/Conversion of Overriding Royalty
Omler #6, NE/4 sec. 25, T28N, R10W
Log and Test Pictured Cliffs (P.C.)
BLM Lse#. SF-077085
San Juan County, New Mexico

Dear Name of Person:

You own a portion of the 33.6875% total royalty burdening the above captioned lease and Omler #6 well. This royalty burden is excessive and needs to be reduced in order to improve the economic viability of reworking Omler #6 well, which has been shut in for many years. Burlington Resources owns this well and has scheduled it to be plugged. Synergy Operating, LLC has entered into an agreement with Burlington to attempt to save this well from being plugged.

Synergy will attempted to re-establish production, if the royalty burden can be reduced. The Net Revenue Interest of this lease and well is 66.3125%; with a total royalty burden of 33.6875%. Please reference the attached well discussion, and an estimation of cost (AFE).

In an attempt to improve the economic viability of this project, we ask that you consider one of the following two options:

1. Convert your royalty to a working interest, with each percentage of royalty being exchanged for double the percentage of working interest, under the attached AAPL Operating Agreement.
2. Reduce your royalty in half in the Pictured Cliffs horizon only in the captioned lands until 300% of all costs have been recovered. At which time your royalty will revert back to the full percentage..

Reducing the excessive royalty burdens is essential before the proposed operation can be commenced. This well has not produced for many years, this is an opportunity to generate additional revenue where there was none.

If acceptable, please indicate your acceptance of: Option 1 or 2 in the space provided below and return one copy of this letter. If you select the working Interest option #1, please also sign the attached signature page of the attached AAPL Operating Agreement, and return it to.

If you wish to discuss this matter further, please contact Patrick Hegarty at (505) 334-4993. Your assistance in this matter is appreciated.

Sincerely
Synergy Operating, LLC

Re: Conversion of your 0.005208 Overriding Royalty to 0.041664 Working Interest Omler #6,
NE/4 sec. 25, T28N, R10W San Juan Co., N.M.

Dear Ms. Barbara Reese Dinges:

In our last letter dated April 23, we asked that you voluntarily reduce your override, or convert it to a working interest in order to improve the economics necessary to workover the Omler #6 gas well. Please note that our April 23 offer was withdrawn effective May 15. A number of you accepted our April 23 offer, before it was withdrawn and elected to reduce your royalty in half, or double it as working interest and participate in the proposed workover of the Omler #6 gas well. We will honor this prior agreement for those of you that accepted it, or you can choose one of the NEW options listed below.

We withdrew our April 23 offer because Burlington Resources' records revealed that your royalty interest automatically converts to a working interest in the event daily production averaged on a monthly basis falls below 500,000 cubic feet of gas per well per day, see enclosed Title Opinion.

Listed below are three NEW options for you to consider based on the fact that you are now a working interest owner in the amount captioned above:

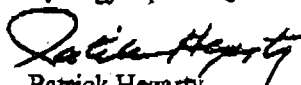

1. Sell your interest in the Omler #6 well and associated 160 acre proration unit in the Pictured Cliffs horizon only, for \$500.00 per one percent of your royalty interest (captioned above). We will mail you an assignment and check if you choose option #1. Further, you may want to consider selling all your interest in the entire lease, which we will promptly evaluate and send you an offer.

2. Do not participate in the reworking of the Omler #6 well, and agree to a 300% non-consent election. This means that we must recover all the costs associated with the workover and operating said well before your WORKING INTEREST is recognized. Please execute and return the signature page to the attached AAPL Operating Agreement.

3. Participate in the workover of the Omler #6 well, under the terms and provisions of the attached AAPL Operating Agreement. Please execute and return the signature page to the attached: AAPL Operating Agreement and Authority For Expenditure.

Please indicate your acceptance of options: 1, 2, or 3 in the space provided below and return one copy of this letter and related paperwork, if you selected option #2, or #3. Feel free to call me at (505) 334-4993, if you want to discuss this matter further. We appreciated your attention.

Sincerely,
Synergy Operating, LLC

Patrick Hegarty
