Dear Sirs:

David H. Arrington Oil & Gas, Inc.(DHAO&G) hereby proposes the drilling of the captioned well at the legal location referenced above to test the Atoka and Morrow gas formations. This well will be drilled to an approximate vertical depth of 14000' and the proposed spacing unit for the well will be the E/2 of Section 34. You will find enclosed an AFE for the drilling of this well which sets forth the anticipated costs.

In the event that Permian Exploration should desire to participate in the drilling of this well, please so indicate by signing and returning one copy of the AFE to my attention. In the event that you should elect to not participate in the drilling of this well, DHAO&G is willing to discuss other options regarding your interest.

If you should have any further questions or require additional information, please call at (915) 682-6685 or Mr. Dale Douglas at (915) 682-5565.

Sincerely,

Dear Sirs:

David H. Arrington Oil & Gas, Inc.(DHAOG) hereby proposes the drilling of the captioned well at the legal location referenced above to test the Atoka and Morrow gas formations. This well will be drilled to an approximate vertical depth of 14000' and the proposed spacing unit for the well will be the E/2 of Section 34. You will find enclosed an AFE for the drilling of this well which sets forth the anticipated costs.

In the event that Great Western should desire to participate in the drilling of this well, please so indicate by signing and returning one copy of the AFE to my attention. In the event that you should elect to not participate in the drilling of this well, DHAOG is willing to discuss other options regarding your interest.

If you should have any further questions or require additional information, please call at (915) 682-6685 or Mr. Dale Douglas at (915) 682-5565.

Sincerely,
DAVID H. ARRINGTON OIL & GAS, INC.
