Dear Sir or Madam:

This will advise that David H. Arrington Oil and Gas, Inc. has filed an Application with the New Mexico Oil Conservation Division seeking an order pooling all mineral interests underlying the E/2 of Section 34, Township 15 South, Range 34 East, NMPM, Lea County, New Mexico. Said lands are to be dedicated to Applicant's Huma Huma 34 Well No. 1 to be drilled at a standard location in the SE/4 of Section 34. Dear Bill

Reference is herein made to your letter which was dated June 27, 2002 proposing the drilling of the captioned well. This letter was mailed out to the parties having the right to participate in same, according to the official public records.

As of 5:00 P.M. central time, this date, I have received only two responses to this proposal, as follows:

- I received a phone call from Mr. Ken Smith with Davoil on July 23, 2002. He requested that we furnish him with a copy of our proposed Joint Operating Agreement for this proposed well. I asked Mr. Smith whether or not they were going to participate in the well and he said that depended upon his review of the Joint Operating Agreement. This Joint Operating Agreement was forwarded to him under cover letter dated July 25, 2002. I have had no other conversation with Mr. Smith about Davoil's position regarding this proposal.
- I have reached an agreement with Tom Brown, Inc. regarding their interest in the proposed well.

Subsequent to the mailing of the June 27, 2002 proposal letter, I have not received word from any of the other parties regarding the well proposal.

Should you need anything further please let me know.

Yours very truly,

Dale Douglas, CPL
