MEMO: David: As I indicated on my voicemail, Mewbourne Oil Company requests a (third) continuance on Case No. 12941. The reason is that it has reached voluntary agreement with 5 of the 6 parties being pooled, and with respect to the 6th it has a signed letter agreement and the parties are working out the specifics of a term assignment. A continuance should allow the parties to reach voluntary agreement. Thanks for your consideration of this matter.
