Re: NMOCD Case No. 12953; Application of Permian Resources, Inc. for Compulsory Pooling, Unorthodox Well Location, Designation of Special Project Area, and Simultaneous Dedication, Lea County, New Mexico; Order No. R-11896.

Dear Ms. Wrotenbery:

On behalf of Permian Resources, Inc., we respectfully request a ninety-day extension of time in which to commence drilling operations under the terms of the compulsory pooling order referenced above.

Presently, Permian Resources must commence the drilling of the Chambers No. 2 well on or before April 30, 2003. However, the drilling rig which Permian has contracted for this project has encountered delays on another location and is not expected to become available by the April 30th deadline. Accordingly, Permian requests that Order No. R-11896 be extended to July 31, 2003.

Thank you for your consideration of this request.

Very truly yours,

MILLER STRATVERT P.A.
