**Subject:** RE: Case No. 13004

Gentlemen,

I have been inundated with motions, countermotions, and phone calls concerning the issue of continuing this case. It would appear there is a need for a pre-hearing conference on this issue with all parties present.

Please be in the Division's up-stairs conference room at 2:15 p.m. this afternoon (Wednesday, March 12, 2003) to discuss this matter.
