Re: Case 56 - Maljamar Project Petition

My dear Clarence:

In the case file with the petition in the above captioned matter it has been discovered that the petitioner filed an amendment dated January 6, 1945. This amendment is not to the petition itself but to that part of the exhibit entitled "recommendations", and refers to tests. I thought maybe you would wish to have this in the study of the whole matter in drawing the amended petition. You may already have this but I do not recall whether I gave it to you when you were here the other day.

It was a genuine pleasure to work with you in the matter of the amended petition when you were here a few days ago.

Kindest personal regards.

Cordially yours,

Chief Clerk & Legal Adviser
