OFFICE OF THE SECRETARY
WASHINGTON 25, D. C.

Richfield Oil Corporation,
Richfield Building,
Los Angeles 13, California.

Gentlemen:

Under date of March 15, you filed in the office of the oil and gas supervisor of the U. S. Geological Survey at Roswell, New Mexico, an application for the designation of certain land as logically subject to development under the unitization provisions of the Mineral Leasing Act, together with a proposed text of a unit agreement for said area to be known as the Worman Lake Area, Chaves County, New Mexico.

I return herewith one copy of the proposed unit agreement. The description of the area regarded as logically subject to unitization has been revised and inserted in section 4 of said agreement. Certain other changes in the text of the agreement as submitted also are indicated in the enclosed copy.

In the absence of any objection not now apparent in the record or hereafter presented, a duly executed agreement which is identical with the enclosed revised copy, if submitted within a reasonable period of time, will receive final approval.

Very truly yours,

(signed) OSCAR L. CHAPMAN

Acting Secretary.
