Dear Sir:

With reference to recent petition of Mr. Floyd H. West for an unorthodox location, we would appreciate this petition being signed by Mr. West. Also, since we are returning this unsigned petition, we would ask that you return two signed copies with the original. These were damaged and are no longer legible.

Also, the Commission requires three copies of Notice of Intention to Drill, and as long as Mr. West is the operator, please have this shown on the form, viz., Mr. West as company or operator and Patterson for the lease name. As soon as the testimony is heard and an order written his Intention to Drill will be approved.

The next hearing will probably be set some time within the first two weeks of 1949 and you will be given proper notice.

Very truly yours,

Gentlemen:

The undersigned, Floyd H. West, operator for the drilling of an oil and gas well to be known as Patterson #1, located in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ Sec. 5, Twp. 30, N, R. 13 West, N. M. P. M., petitions the Commission, as follows:

1. That the location selected for said Well is 2490 ft. South of the North line and 1220 ft. West of the East line of said Sec. 5.
2. That the said Well is set on a 160 acre tract of land, on which your undersigned operator holds an Oil and Gas Lease; that the said Well will not off-set the lands belonging to any other person or parties whomsoever.
3. That the reason said Well was not set at the particular point which would conform to the rules and regulations of the Commission, is the fact that a Well which was located in conformity with the rules and regulations of the Commission would have to be drilled in the bed of the La Plata River, or would have to be drilled on what clearly appears to be a definite fault which out-crops on the surface of the land; and that the said reasons are why the said well is located at the point indicated in the Notice of Intention to Drill, filed herewith.

WHEREFORE, your petitioner prays that the Commission grant your petitioner a hearing in conformity with the rules and regulations of this Commission, and for an order approving the said location.

It will be appreciated if you will grant to Mr. West, a hearing at your earliest convenient date, so that he may explain to the Commission more fully, and in detail, his reasons for making the location at the point indicated in the Notice of Intention to Drill.

IN THE MATTER OF HEARING CALLED
BY THE OIL CONSERVATION COMMISSION OF THE STATE OF NEW MEXICO

CASE NO. 172
ORDER NO. 809

IN THE MATTER OF THE APPLICATION OF
FLOYD H. WEST FOR AN ORDER AUTHORIZING AN UNORTHODOX WELL LOCATION FOR HIS PATTERSON NO.1 TO BE LOCATED 2490 FEET SOUTH OF THE NORTH LINE AND 1220 FEET WEST OF THE EAST LINE (IN SE $\frac{1}{4}$ NE $\frac{1}{4}$) OF SECTION 5, TOWNSHIP 30 NORTH, RANGE 13 WEST, N.M.P.M. IN SAN JUAN COUNTY, NEW MEXICO.

ORDER OF THE COMMISSION

BY THE COMMISSION:

This matter came on regularly for hearing at 10:00 A.M., on January 6, 1949, at Santa Fe, New Mexico, before the Oil Conservation Commission of New Mexico, hereinafter referred to as the "Commission".

NOW, on this 27th day of January, 1949, the Commission having before it for consideration the evidence adduced at the hearing of said cause and being fully advised in the premises;

FINDS:

1. That due public notice having been given pursuant to law, jurisdiction is vested in the Commission;
