OIL CONSERVATION COMMISSION

The State of New Mexico by its Oil Conservation Commission hereby gives notice, pursuant to law, of the following public hearings to be held March 31, 1949, beginning at 10:00 o'clock A.M. on that day in the City of Santa Fe, New Mexico, in the Senate Chambers.

STATE OF NEW MEXICO TO:

All named parties in the following
cases, and notice to the public:

Case 173

In the matter of the application of Transcontinental Oil Co., Inc. for an order granting permission to drill its Coyote Dome No. 1, Cabra Springs Ranch well, in an unorthodox location in the center of the northeast quarter of section 1, in T.13N, R.21E, San Miguel County, New Mexico.

Case 174

In the matter of the application of Southern Union Production Company for an order granting an exception to section 1 (c) of Order No. 748 to permit location of a well 200 ft. west of the boundaries specified in section 1 (c) because of the nature of the terrain. The drilling unit containing 160 acres substantially in the shape of a square, embraces the SE $\frac{1}{4}$ of section 29, T.28N, R.10W, in San Juan County, New Mexico.

Case 175

In the matter of the application of Gulf Oil Corporation for an order to dually complete and produce from the Hobbs line section and the Byers sand section from a single well bore in the West Grimes #15, located 990 ft. north of the south line and 2310 ft. east from the west line of section 32, T.18S, R.38E, Lea County, New Mexico.

Case 176

In the matter of the application of the Oil Conservation Commission upon its own motion to amend Paragraph 2 of Order No. 788, issued in Case No. 146, deleting therefrom the words at the end of the section to-wit: "Provided that a supplemental order is issued authorizing such production", and making said Paragraph 2 of said Order 788 read as follows:

"Paragraph 2. That any common purchaser is authorized to purchase 100% of the allowable from all units classified as marginal units on the monthly proration order. A marginal unit is a unit that is

incapable of producing the state top unit allowable for that particular month. Any amount of crude petroleum up to and including the top unit allowable for that particular month may be purchased from a marginal unit.

Case 177

In the matter of the application of the Oil Conservation Commission upon its own motion to rescind, revise, change or amend Order No. 573, which became effective as of June 1, 1944, and generally known as the "Bonus Discovery Allowable Order".

Case 178

In the matter of the application of the Oil Conservation Commission upon its own motion upon recommendation of the Nomenclature Committee for an order deleting from the Arrowhead pool as heretofore established, the following described lands: SW 1/4 of section 11, and the W 1/2 of section 14, T.22S, R.36E, N.M.P.M., Lea County, New Mexico. This deletion from the Arrowhead pool is necessary because of the extension of the South Eunice pool to include gas production in the west part of above described section.

Dear Sir:

In accordance with Mr. Thompson's telephone conversation with you a few days ago, there is enclosed the petition of Southern Union Production Company for the Commission's order granting exception to Section 1(c) of Rule 748 to permit the Company to drill its Hubbell Well No. 1 at a location approximately 200 feet west of the boundaries specified in Section 1(c). Also enclosed is a form suggesting the pertinent statement concerning this petition which might be included in your proposed notice of hearing.

If there is any additional information desired in this connection, please let me know. Also, it will be appreciated if you will arrange for us to receive in due course a copy of the publisher's affidavit with respect to the notice of hearing.

With thanks, I am

Yours very truly,
