

NOTICE OF PUBLICATION
STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

The State of New Mexico by its Oil Conservation Commission hereby gives notice, pursuant to law, of the following public hearings to be held March 31, 1949, beginning at 10:00 o'clock A.M. on that day in the City of Santa Fe, New Mexico, in the Senate Chambers.

STATE OF NEW MEXICO TO:

All named parties in the following cases, and notice to the public:

Case 175

In the matter of the application of Gulf Oil Corporation for an order to dually complete and produce from the Hobbs lime section and the Byers sand section from a single well bore in the West Grimes #15, located 990 ft. north of the south line and 2310 ft. east from the west line of section 32, T.18S, R.38E, Lea County, New Mexico.

Case 176

In the matter of the application of the Oil Conservation Commission upon its own motion to amend Paragraph 2 of Order No. 788, issued in Case No. 146, deleting therefrom the words at the end of the section to-wit: "Provided that a supplemental order is issued authorizing such production", and making said Paragraph 2 of said Order 788 read as follows:

"Paragraph 2. That any common purchaser is authorized to purchase 100% of the allowable from all units classified as marginal units on the monthly proration order. A marginal unit is a unit that is incapable of producing the state top unit allowable for that particular month. Any amount of crude petroleum up to and including the top unit allowable for that particular month may be purchased from a marginal unit".

Case 177

In the matter of the application of the Oil Conservation Commission upon its own motion to rescind, revise, change or amend Order No. 573, which became effective as of June 1, 1944, and generally known as the "Bonus Discovery Allowable Order".

Case 178

In the matter of the application of the Oil Conservation Commission upon its own motion upon recommendation of the Nomenclature Committee for an order deleting from the Arrowhead pool as heretofore established, the following described lands: SW $\frac{1}{4}$ of section 11, and the W $\frac{1}{2}$ of section 14, T.22S, R.36E, N.M.P.M., Lea County New Mexico. This deletion from the Arrowhead pool is necessary because of the extension of the South Eunice pool to include gas production in the west part of above described section.

Given under the seal of the Oil Conservation Commission of New Mexico, at Santa Fe, New Mexico, on March 15, 1949.

STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

R. R. SPURRIER, Secretary
