Re: Order No. R-76,
Case No. 272.

Dear Dick:

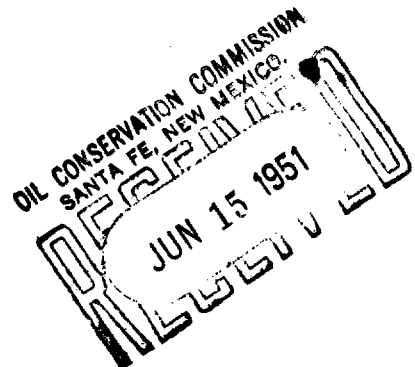

In regard to the above order, the McMillan Seven Rivers Pool was described as being in Township 19 South, Range 32 East, N.M.P.M. According to my information, this pool should have been described as being in Township 19 South, Range 27 East. It may be that the Commission should check this data and if an error was committed, it could easily be corrected in a subsequent order.

Yours truly,

William E. McKellar, Jr.
