CASE NO. 279

(DATE)

Original

BEFORE THE  
OIL CONSERVATION COMMISSION  
July 24, 1951

-----  
CASE NO. 279: (Continued from June 21 hearing).  
The Commission's application on its own motion for an  
Order directed to S. T. Silverstein, T. H. Donnelly,  
Sarah D. Ulmer and the Massachusetts Bonding and  
Insurance Company, for plugging and abandonment of well  
in SE SE SW 11-12 N-32 E, NMPM, Quay County, New Mexico.

MR. SHEPARD: We will take up Case 279.

(Mr. Graham reads the notice of publication.)

MR. DEAN ZINN: At this time on behalf of  
S. T. Silverstein, I would like to enter my appearance,  
Dean S. Zinn, Santa Fe, New Mexico. I have received  
since this case came on last time the plugging report  
and also a well record which I would like to submit to  
the Commission. It is for the Donnelly Drilling Company.  
In view of the situation -- apparently there is quite a  
bit of conflict in the records -- we would like to have  
this continued until such time as we can have actual  
witnesses before the Commission testify as to this conflict  
and as to the situation and as to the standpoint of the  
Silverstein and the Donnelly Drilling Company, and we so  
move at this time.

MR. WHITE: Are you representing Silverstein and  
Donnelly?

MR. ZINN: We represent Silverstein.

MR. SHEPARD: Is Mr. Donnelly present or anyone  
representing him present?

(No response.)

MR. SHEPARD: Anyone representing Sarah D. Ulmer?  
(No response). Massachusetts Bonding and Insurance Company  
present? (No response). Dean, when did you come into this  
case?

MR. ZINN: I am entering my appearance for the first  
time today.

MR. SHEPARD: Well, we will continue this until  
August the 7th and we will hear it at that time.

MR. ZINN: Thank you.

MR. SHEPARD: Case No. 279 has been continued  
until August 7th.
