June 21 hearing

DE CONSTRUCTION OF THE PARTY OF

April 24, 1951.

IN THE MATTER OF THE APPLICATION OF S. E. CONE FOR AN ORDER GRANTING PERMISSION TO DUALLY COMPLETE ANDERSON #1 DRINKARD POOL, NE/4 SE/4 Section 21, Township 21 South, Range 37 East, N.M.P.M., LEA COUNTY, NEW MEXICO.

A. PLICATION

COMES NOW, S. E. Cone, an individual, operating in New Mexico from a field Office in Lubbook, Texas, and respectfully represents to the OIL CONSERVATION COMMISSION of the State of New Mexico that he has completed the Anderson #1 well, located in the Na/4 SE/4 Sec. 21, Township 21South, Range 37 East, N.M.P.M., Lea County, New Mexico. This well is presently producing from the Drinkard formation through perforated intervals extending from 6510 feet to 6628 feet and is equipped with 2" upset tubing, 5½ inch casing is set at 6640 feet.

Applicant further represents that a high pressure gas zone exists at an approximate depth of 6150 feet in the Tubbs Sand Section of the Earl Anderson #1 well as evidenced by gas production from the Tubb section in the West offset and the Northwest diagonal offset to said wells and a drill-stem test yelling 4301.4 MCF gas per day from the Tubb section in the #2 Anderson, 1650 feet from the South and 330 feet from the East line of Section 21, Township 21 South of Range 37 East, and that it is practical and economically feasible to dually complete this well to produce liquid bydrocarbons through the

tubing and gas through the annulus between the casing and the tubing with proper packer and wellhead cornections.

WHOMPONE, applicant asks that permission be granted to recomplete said well to produce oil from the Drinard formation and ges from the Tubb formation.

Attached hereto is (1) plat showing well to be dually completed and other wells in the vicinity and (2) diagram showing proposed method of dual completion. Copies of this application with attached plat and diagram have been furnished to all offset operators.

DONE at Lubbock, Texas on this the 2.5 th day of April, 1951.

Respectfully submitted,

S. E. COME
