TRANSCRIPT OF HEARING

August 19, 1952

(See transcript in Case Entitled "Allowable"
for register of attendance and appearances.)

MR. SPURRIER: We will go on to Case 389.

(Mr. Graham reads the Notice of Publication.)

MR. WHITE: Mr. Macey.

(The witness was sworn.)

W. B. MACEY

being first duly sworn, was examined and testified as follows,
to-wit:

DIRECT EXAMINATION

BY MR. WHITE:

Q Mr. Macey, are you the Bill Macey that testified before
the Commission earlier in the day?

A Yes, sir.

Q As Engineer for the Oil and Gas Conservation Commission,
have you made a study of the proposed extension of the
Blanco-Mesaverde Pool and of the Dogie Canyon-Pictured
Cliffs Pool as advertised in Case 389?

A I have.

Q Will you give a report of your study to the Commission,
together with your conclusions and recommendations?

A I recommend that the extension to the Blanco-Mesaverde
Pool in Paragraph (a) be made as advertised.

In Paragraph (b), the extension of the Dogie Can-
yon-Pictured Cliffs Pool, in the portion of the advertise-
ment pertaining to the West Half of Section 23 in Town-
ship 26 North, Range 7 West, I recommend that the exten-

sion include the North Half of Section 23. I believe that it was purely a typographical error that it was not included in the advertisement.

MR. SPURRIER: Do you have any other recommendations?

THE WITNESS: No, sir.

MR. SPURRIER: Does anyone object to Mr. Macey's explanations and recommendations?

If not, that completes the docket for today and we will recess until September 16, 1952.

(Whereupon at 2:20 o'clock, P.M., the meeting adjourned.)
