Dear Mr. Davis:

Mr. Macey asked that receipt be acknowledged of your two applications for dual completion of Astec Oil and Gas Company's Dauron No. 2 and State No. 1 wells in Township 21 S, Range 37 E. Under the customary 30-day limit, legal notices for publication had already been issued for the September 16 hearing before your applications were received. However, these cases are set up for hearing at the regular October 15 hearing, if that is satisfactory, and proper notice will be issued. Mr. Macey is now attending the Compact Commission meeting in Banff, but will return later this week, in case you desire to contact him.

Very truly yours,

For W. B. Macey, Chief Engineer
