TRANSCRIPT OF PROCEEDINGS  
CASE NO. 415

October 15, 1952  
Regular Hearing

BEFORE THE  
OIL CONSERVATION COMMISSION  
STATE OF NEW MEXICO  
Santa Fe, New Mexico.

October 15, 1952.

In the Matter of:

Nomenclature case for southeastern New Mexico, calling for extensions as follows:

(a) Extension of West Dollarhide-Drinkard Pool to include E/2 Section 31 in Twp. 24S, Rge. 38E.

Case No. 415

(b) Extension of Teas Pool to include NE/4 Section 14 in Twp. 29S, Rge. 33E.

TRANSCRIPT OF HEARING

(Notice of publication read by Mr. Graham.)

R. S. BLYMM,

having been first duly sworn, testified as follows:

DIRECT EXAMINATION

By MR. WHITE:

Q State your name and occupation for the record, please.

A R. S. Blymm, Engineering, Oil Conservation Commission.

Q In your capacity as engineer for the Oil Conservation Commission have you had occasion to make a study of the proposed extensions as advertised in Case No. 415?

A Yes.

Q Give a report of your studies together with the recommend-

ations and conclusions?

A Case No. 415 consists of Sections A and B. Section A dealing with the proposed extension to West Dollarkhide-Drinkard Pool, Section B concerned with the proposed extension to Teas Pool. I have prepared plats of both sections, showing the pool as presently constituted and the proposed extension, and recommend that both extensions be made as advertised and as shown on these plats.

Q What is your reason for the extensions?

A To include wells producing from this source of supply in these designated pools.

Q The same common source of supply then?

A Yes.

Q Will you mark those as Exhibits 1 and 2 specifically, and they will be offered into evidence?

(Marked Exhibits 1 and 2, for identification.)

MR. SPURRIER: Without objection they will be received.

(Exhibits 1 and 2, previously marked for identifications were received in evidence.)

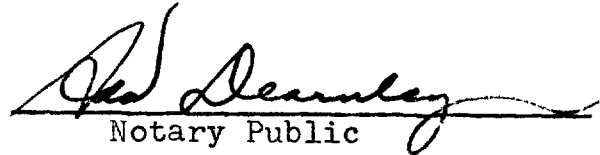

MR. SPURRIER: Any questions of this witness? If not the witness may be excused.

(Witness excused.)
