Attention: Mr. Critchell Parsons - President

Gentlemen:

We have your telegram of November 21, 1952.  
For several reasons the Commission has not seen fit to  
set your hearing for December 8, 1952.

One is the widespread interest which will be  
shown in the hearing.

Since the regular hearing is only eight days  
later, your case will be on that date.

Very truly yours,

R. R. Spurrier  
Secretary - Director
