Mr. R. R. Spurrier, Secretary,
New Mexico Oil Conservation Commission,
Santa Fe, New Mexico

Dear Mr. Spurrier:

On December 24, 1952 we mailed to you our application to dually complete our S. J. Sarkeys No. 4 well in the Drinkard (oil) formation and the Tubbs (gas) formation. In copying from another application, we inadvertently wrote "Blinebry" in the 3rd paragraph. As every other reference, as well as the exhibits, indicate our wish to complete this well in the Tubbs, we hope this error can be corrected with pen and ink and not require a new application.

With indest personal regards,

Yours truly,

J. B. Holloway
